

VPN – How to access VPN from a private PC

If you want to access VPN from a private PC you have to send an email to itsupport@sund.ku.dk in order to be granted access. Please list your UCPH username and your mobile phone number.

Based on your email SUND-IT will make sure you can access VPN from your private PC and then you will receive an e-mail with a four digit pin code. Use the pin code to identify the numbers you have to use to log in.
